**Dear Parishioners of Corpus Christi,**

One specific task assigned to me by our Bishop Barber was to care for the spiritual welfare of the parishioners of Corpus Christi. This kind of care includes the health and safety of this community.

As you know, we are facing a pandemic that affects all of us. There are basic hygiene recommendations we need to follow in order to keep us safe. As a Parish we are doing our best to continue to serve and offer you spiritual nourishment and support.

However, recognizing the need to keep our parish available for spiritual support, I would appreciate that you continue your support by sending your donations by mail — weekly or monthly — as you are able.

I accept that we are under this grave situation and perhaps living the worst Lenten season of our lives, but please have faith in God, that after this passion we will celebrate the great joy of Jesus' conquest over death and evil.

Please be assured that my prayers are with all of you. God bless you and protect you always.

Yours in Christ,  
Rev. Luis Lopez  
Parochial Administrador
